The Widow Wore Pink

Synopsis

In an instant, everything changed... Robyn Dykstra spent years as a Playboy Bunny, oblivious to God's master plan for her life. But she escaped a life of drugs, alcohol, and promiscuity for a fresh start with Jesus. Cleaned up and happy, with a handsome husband, a nice house, and two wonderful children, her life seemed perfect. Then, the unthinkable: In an instant, everything changed. That one moment triggered a chain reaction of unwanted challenges, and her life would never be the same.

Can you relate? In an instant...

- * the marriage is over,
- * the job ends,
- * the car's wrecked,
- * the money's gone,
- * the diagnosis is pronounced ...

... and your dreams are crushed. All you can do is cry, "Why?" You long for the lost to be found, for the broken to be fixed, for the stolen to be returned. You want your life back!

In *The Widow Wore Pink*, you'll discover that the God who was faithful to Robyn will also be faithful to you. Learn to face the unwelcome changes in your life by knowing and trusting the promises of God for yourself.
